

AMARAVATI
ENTERPRISES

From humble beginnings as a small-scale hospitality supplier in Hyderabad, Amaravati Enterprises has grown into a trusted partner for over 1000+ hotels, resorts, hospitals, serviced apartments, corporate guest houses, convention centres, and premium hospitality establishments across India.

What started with a focused range of hotel toiletries and guest amenities has today evolved into a diversified hospitality solutions portfolio. Over the years, we have consistently expanded our offerings to meet the changing needs of the hospitality industry — adding Tea & Coffee Supplies, Hotel Stationery, Disposables, In-Room Fixtures, Housekeeping Consumables, Housekeeping Equipment, Bed & Bath Linen, and several other hotel-specific products under one roof.

At Amaravati Enterprises, we believe every property has its own identity. That is why we emphasize customization, premium presentation, and consistent quality, helping hotels create memorable guest experiences through thoughtfully curated products and personalized branding solutions.

Our strength lies in our ability to continuously introduce fresh, innovative, and industry-relevant products, ensuring our clients always stay ahead in guest satisfaction and operational convenience. Backed by a dedicated management team, strong vendor network, well-equipped in-house assembly and packaging setup, and efficient inventory management, we ensure timely deliveries and dependable service standards for our clients.

Proudly aligned with the “Make in India” vision, we actively promote and supply high-quality products manufactured in India while maintaining global hospitality standards. We are also committed towards a more sustainable future by continuously incorporating eco-conscious, biodegradable, and environmentally responsible product options into our portfolio to support greener hospitality practices.

Today, Amaravati Enterprises not only caters to clients across India but is also expanding its footprint in the international market through the export of hospitality products and guest amenities, delivering Indian quality and craftsmanship to hospitality businesses globally.

With a commitment to quality, hygiene, reliability, innovation, and long-term relationships, Amaravati Enterprises stands as a dependable one-stop hospitality procurement partner for modern hospitality establishments.

At Amaravati Enterprises, we don't just supply products — we help create exceptional hospitality experiences.
